

Sea Clay Detox Bath Solution - 567g (20oz)

Use as a powerful detox to revitalize the skin; cleansing, exfoliating and replacing lost minerals. Sea Clay Soaking Solution's natural formula has been specifically designed to reach deep down into the skin pores, drawing out impurities to help create a smoother, tighter and more toned appearance.

Relax in your own spa bath as Sea Clay goes to work, leaving your skin feeling healthier and more radiant.

Directions For Use

Pour one full bag of the solution directly into a warm running bath making sure the solution has fully mixed with the bath water (where necessary mix the solution manually by hand to ensure the solution is fully mixed) before a relaxing soak that can be enjoyed for 20 to 30 minutes. For best results use once a week as part of your regular skin care routine.

Ingredients

Bentonite, Sodium Chloride, Magnesium Sulfate, Magnesium Chloride, Kelp.
